

“WITH BREAD AND WINE YOU CAN WALK YOUR ROAD”
~ ANONYMOUS ~

Grotto is all about friends and family, and having a great time through food and wine. We hope the wines in this book help you achieve that.

Our goal: is to help you find the perfect wine to complement your palate.

Our mission: to offer a broad and diverse selection of wines that typify the geography and culture of their origin. We try not to limit ourselves to a particular area or varietal, but seek a perfect balance of Old World and New World producers, appellations, and styles.

We've tried to make our staff as wine-friendly as possible. If you'd like some guidance, please ask one of us. We would love to introduce you to something different and exciting.

Our Corkage Policy for the Restaurant will be Fifteen Dollars per 750ml and Thirty Dollars per Magnum. The Corkage Fee will be waived for every 750ml bottle purchased from our wine list.

Jim Fink, Wine Director
Mike Tomaseli, General Manager

"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing."

~ Ernest Hemingway ~
